## Instructions:

- Record each fish over **5 pounds** and/or fish over 18 inches in length.
- Record the date the fish was caught and the name of the angler who caught the fish.
- Check if the fish was **not** released.
- Record the length and weight of each qualifying fish and check whether the information was actual (measured) or estimated.
- Record the time each fish was caught.
- Through this survey, you are helping TPWD to monitor the catches of big bass in Lake Arlington. We thank you for your cooperation.
